

Protection

God protects me.

*Hide me in the shadow of your wings.
Psalm 17:8*

Daniel's Germs

"Why shouldn't I touch that?" asked Daniel as Mommy took the rattle out of his hand.

"Because it could have germs on it," answered Mommy as she washed the rattle in the sink. Daniel's little brother was sick and had been chewing on the rattle before giving it to Daniel.

"I don't see any germs," said Daniel. "What do they look like?"

"You can't see germs," said Mommy. "They're too small to see, but they're there anyway. They could make you sick like your brother."

"How can something that small hurt me?" asked Daniel. It sounded silly, but he knew that he could trust his mommy to know what was best, and protect him.

Even though you can't see something it can still hurt you. But you don't have to be afraid, because just like Mommy protected Daniel, Jesus protects you from things you cannot see.

Your Turn

1. Why did Daniel think he couldn't be hurt by germs?
2. Who protects you from things you cannot see?

Prayer

Thank You, Go, for always protecting me, even from things that I can't see.
Amen.
