

Example

I can learn about love in the Bible.

*In everything set them an example.
Titus 2:7*

Loving by Example

“Good night.” said Mommy, tucking the blue blanket around Michael.

As Mommy started to rise off the bed to turn out the light, Michael reached out and caught her arm.

“Mommy,” Michael said, “I like that you check on me when I’m sleeping.”

“I’m glad,” said Mommy. “I love you, and I always take care of you-even when you’re asleep.”

“Do you know what?” Michael asked.

“What?” Mommy answered.

“Sometimes when you’re asleep,” Michael, “I come and check on you, too, to make sure you’re okay.”

Michael’s mommy smiled as she turned out the light for bedtime.

Michael learned from his mommy that it is important to care for and love others. In the same way, you can learn from the Bible how God loves us and cares for us. The Bible gives us many examples of how we should live. The Bible says to love and care for others.

Your Turn

1. What do you do to show how much you love your mommy and daddy?
2. Where can you learn about loving others?

Prayer

Thank You, God, for teaching the world about love. Thank You for giving me parents to show me how to love others. Amen.
