

# Faith

We can always have faith in Jesus.

*You feel faith in your heart.*

*Acts 16:31*

## *I Have Faith in You*

When the school closed, the teacher tried to call all of the mommies and daddies to tell them that their children would be coming home early, but Lenny's mommy wasn't home. He knew that she was out shopping and wasn't expecting him to get home so early. When the bus drove up to his house, it was clear that no one was there, so the bus driver took Lenny back to the school. Lenny knew that his mommy would come to get him. He wasn't scared.

Lenny's mommy was the one who was scared. She was worried that Lenny would be upset or crying when she came to pick him up, but he wasn't. Lenny was simply sitting in the school office waiting for his mommy to come and get him. Mommy asked Lenny why he wasn't scared, and he said, "I have faith in you, Mommy."

Lenny wasn't afraid when Mommy wasn't home because he had faith in Mommy's love for him. He knew that Mommy would never leave him, and that she would come to get him. Jesus is like that. We can always have faith in Jesus. He will always be with us, and never ever leave us.

## *Your Turn:*

1. Why was Lenny's mommy worried that he might be scared?
2. Why wasn't Lenny scared?
3. Have you ever been scared that your mommy or daddy might forget about you?

## *Prayer*

Thank You, Jesus, for giving me loving parents who I know will always take care of me, Amen.
